

## Adding Child/Spouse to Your Patient Portal

## Step 1

- You will need to receive an email from Madison Regional Health System. This will be obtained at your next appointment or calling 605-256-6551 and asking to register for the patient portal.
- Be sure to check your Spam or Junk folder if you do not see the email.

Hi Oliver,

You have been invited by your provider to register on the Patient Portal. To get started, simply register your new account by clicking the following link or copy the URL into your browser's address bar:

https://login-mycarecorner.cpsi.com/transferwelcome.aspx?packageid=CTDP-VFXW-QLAL-BCRX-WRNE

When prompted to enter your invitation code, please enter the following code:

### CTDP-VFXW-QLAL-BCRX-WRNE

You will then be prompted to answer a verification question.

After you have entered all the required information, click the "Allow" button to complete the process. Once you receive the "Access Approved" notification on the screen, your registration is complete and you will have access to the following on the portal:

- · View upcoming appointments
- · Have 24/7 access to your portal health record
- · View and send communications to your provider
- And much more

Please contact the facility if you need assistance or need a new invitation code.

Madison Community Hospital 605-256-6551

• Click on the link provided in the email.

• The my portal webpage will display instructing you to complete your information transfer. Select Continue will display the invitation code that was included in your registration email.

Click on Continue

• If you selected the link from the email the code will automatically display in the code fields for you. Otherwise enter the invitation code from the registration email. Select submit to continue to register your portal account.
