

10 STATIC EXHIBIT CHALLENGE

Who: All Lake County 4-Her's

When: Presentation Day and Lake County Achievement Days.

What: A challenge for 4-H members to exhibit 10 static exhibits. 4-Her's must do one category on the right at least three different project areas in order to qualify.

Why: To increase the number of exhibits kids bring and to broaden their knowledge of everything a child can do while in 4-H. The challenge includes presentations because it is a project that builds a skill for life. They must use it in everyday of their life, so why not just get some practice while in 4-H.

Accomplished: If a child completes the challenge, they will receive a \$25 dollar credit towards any Lake County event or lunch stand.
