

2019 PRIVATE Pesticide Applicator Certification/Re-Certification Training Schedule ~Southeast Region~

If your Private Applicator's Certification expired Dec. 31, 2018, you can re-certify or get your initial certification by one of the two following methods:

- 1) Attend one of the re-certification sessions listed on the backside of this paper.
- 2) Complete the exam on-line at <https://apps.sd.gov/doa/pwt/>.

Either one of these methods will renew your certification through December 31, 2023.

To attend a certification session:

- No pre-registration necessary, simply arrive at session site 15 minutes early
- **You will need to provide a valid Government issued photo ID to complete the training.**
- **Please bring along your pesticide license with your barcode number and/or the renewal postcard you may have received in the mail.**
